The rate of such CMRS service charge shall be One Dollar (\$1.00) per month per CMRS connection. The CMRS service charge shall have uniform application and shall be imposed throughout the state. The board is authorized to receive all revenues derived from the CMRS service charge levied on CMRS

These rules are intended to supplement and be read in conjunction with the provisions of the Mississippi Administrative Procedures Law, which may contain additional information regarding the issuance of declaratory opinions.  - e) the request fails to contain information required by these rules or the requestor failed to follow the procedure set forth in these rules;

- h) the question presented by the request concerns the legal validity of a statute or rule;
- i) the request is not based upon facts calculated to aid in the planning of future conduct but is, instead, based on past conduct in an effort to establish the effect of that conduct;
- j) no clear answer is determinable;
- k) the question presented by the request involves the application of a criminal statute or a set of facts which may constitute a crime;

5. Written Request Required. Each request must be printed or typewritten, or must be in legible handwriting. Each request must be submitted on standard business letter-size

paper (8-1/2 inches by 11 inches). Requests may be in the form of a letter addressed to the CMRS Board.

7. Name, Address and Signature of Requestor. Each request must include the full name, telephone number, and mailing address of the requestor. All requests shall be signed by the person filing the request, who shall attest that the request complies with the requirements set forth in these rules, including but not limited to a full, complete, and accurate statement of relevant facts and that there are no related proceedings pending before any other administrative or judicial tribunal.
8. Question Presented. Each request shall contain the following:

 - b) a citation to the statute or rule at issue;
 - c) the question(s) sought to be answered in the opinion, stated clearly;
 - d) a suggested proposed opinion from the requestor, stating the answers desired by petitioner and a summary of the reasons in support of those answers;
 - e) the identity of all other known persons involved in or impacted by the described factual situation, including their relationship to the facts, name, mailing address and telephone number; and
 - f) a statement to show that the person seeking the opinion has a substantial interest in the subject matter.
9. Time for CMRS Board's Response. Within forty-five (45) days after the receipt of a request for a declaratory opinion which complies with the requirements of these rules, the CMRS Board shall, in writing:

The forty-five (45) day period shall begin running on the first State of Mississippi business day on or after the request is received by the CMRS Board, whichever is sooner.

10. **Opinion Not Final for Sixty Days.** A declaratory opinion shall not become final until the expiration of sixty (60) days after the issuance of the opinion. Prior to the expiration of sixty (60) days, the CMRS Board may, in its discretion, withdraw or amend the declaratory opinion for any reason which is not arbitrary or capricious. Reasons for withdrawing or amending an opinion include, but are not limited to, a determination that the request failed to meet the requirements of these rules or that the opinion issued contains a legal or factual error.
11. **Notice by CMRS Board to third parties.** The CMRS Board may give notice to any person, agency or entity that a declaratory opinion has been requested and may receive and consider data, facts, arguments and opinions from other persons, agencies or other entities other than the requestor.
12. **Public Availability of Requests and Declaratory Opinions.** Declaratory opinions and requests for declaratory opinions shall be available for public inspection and copying in accordance with the Public Records Act and the CMRS Board's public records request procedure. All declaratory opinions and requests shall be indexed by name and subject. Declaratory opinions and requests which contain information which is confidential or exempt from disclosure under the Mississippi Public Records Act or other laws shall be exempt from this requirement and shall remain confidential.
13. **Effect of a Declaratory Opinion.** The CMRS Board will not pursue any civil, criminal or administrative action against a person who is issued a declaratory opinion from the CMRS Board and who, in good faith, follows the direction of the opinion and acts in accordance therewith unless a court of competent jurisdiction holds that the opinion is manifestly wrong. Any declaratory opinion rendered by the CMRS Board shall be binding only on the CMRS Board and the person to whom the opinion is issued. No declaratory opinion will be used as precedent for any other transaction or occurrence beyond that set forth by the requesting person.

Part 603 Chapter 2: Distribution of Service Charge

Rule 2.1 Disbursement of Service Charge. The Board shall establish a distribution formula by which the Board will make disbursements of the CMRS service charge in the following amounts and in the following manner:

- a) Out of the funds collected by the Board, thirty percent (30%) shall be deposited into the CMRS Fund and shall be disbursed to CMRS providers as described in Section IV, CMRS Cost Recovery. The Board shall be entitled to retain from the CMRS service charges collected during each calendar month an amount not to exceed two percent (2%) of the money allocated to the CMRS Fund as reimbursement for the costs incurred by the Board. Such costs include, but are not limited to, retaining and paying the independent, third-party auditor to review and disburse the cost recovery funds and to prepare all necessary reports.
- b) The remainder of all funds collected by the Board, which shall not be less than seventy percent (70%) of the total funds collected by the Board, shall be distributed by the Board monthly based on the number of CMRS connections in each ECD for use in providing wireless E911 service, including capital improvements, and in their normal operations.

- c) Thirty percent (30%) of the 99 cents, or 29.70 cents, shall be identified for use to reimburse service suppliers for expenses as specified in the applicable sections of state law to meet FCC mandates and to pay Board expenses. Board expenses shall not exceed two percent (2%) of the thirty percent (30%) of the 99 cents or .594 cents. Thus, the remaining 29.106 cents will be available to reimburse service suppliers.
- d) Seventy percent (70%) of the 99 cents, or 69.3 cents, shall be identified to be distributed to the respective county Emergency Communications Districts (ECDs) from which the service charge was imposed.

Rule 3.2 Cost Recovery Plan.

1. Upon receipt of a request for wireless E9-1-1 service from a Mississippi Emergence Communication District or Districts (ECDs), the CMRS carrier will develop a comprehensive detailed plan for implementation of E9-1-1 service for the ECD, or the appropriate service area if the CMRS carrier's switch serves more than one ECD.
2. The plan, complete with cost information, will be presented to the requesting ECD for concurrence. Upon acceptance of the plan and the associated cost structure by the ECD, the ECD (in person or by proxy) and CMRS carrier will present the plan to the Board for its approval. The CMRS carrier shall present in writing to the Board detailed coverage area and customer information to ensure expedient roll-out of wireless E9-1-1 service as requests are received and approved by the Board.
3. After initial acceptance of a CMRS carrier's plan using a particular solution by the Board, the CMRS carrier need not make additional presentations to the Board as to that particular solution. CMRS carriers shall be required to report their subscriber count no less than once a quarter. The dollar amount paid to the CMRS carrier will vary based on total number of subscribers reported by the CMRS carrier;
- b) by submission of the actual recurring and nonrecurring costs incurred by the carrier and approved by the Board; and/or
